ARTICLE 1 RECOGNITION

The District recognizes that the Council was certified by the Public Employment Relations Board (PERB) as the exclusive representative of regular full-time and part-time classified employees of the District who are assigned to classifications in Unit III, Crafts, as enumerated and listed in Appendix A. Appendix A titles may be modified in accordance with rules and regulations of PERB. Any such approved modification automatically becomes a part of this Agreement.

ARTICLE 2 AGREEMENT

- A. The Articles and Provisions contained herein constitute a bilateral and binding agreement by and between the District and the Council.
- B. This Agreement is entered into pursuant to Chapter 10.7, Sections 3540-3549 of the Government Code.
- C. The provisions of this Agreement shall be effective on the date it is approved and executed by the parties except as specifically provided otherwise in this Agreement and shall continue in full force and effect until June 30, 2008.

ARTICLE 3 NONDISCRIMINATION AND COMMITMENT TO DIVERSITY

A. Nondiscrimination

The District and the Council agree not to discriminate against any employee covered by this Agreement because of his/her political activities, political beliefs, District approved union activities, or union membership and because of race, color, creed, national origin, religion, marital status, veterans status, or sexual orientation, and to the extent prohibited by law no employee shall be discriminated against because of age, sex, or physical handicap.

B. Diversity Policy

1. The District and the Council shall strive to maintain a Crafts Unit workforce that is diverse and reflective of the populations served by the District.
2. Any and all appeals concerning or relating to this Article shall only be filed with the District's Office of Diversity Programs and Services, in accordance with the appeal procedure found in the District's Diversity Program, and shall not be subject to the grievance and arbitration provisions of Article 18

ARTICLE 4 MANAGEMENT RIGHTS

- A. It is understood and agreed that the Board of Trustees of the Los Angeles Community College District has all the customary and usual rights, powers, functions, and authority of management as indicated in California Government Code Sections 3540-3549.3. Subject to the terms and conditions of this Agreement, the management, direction, supervision, and control of the Los Angeles Community College District operations, working force and facilities are exclusively vested in the Board of Trustees. Without limiting the generality of the foregoing, the Council recognizes that, subject to the express provisions of this Agreement, the right to select, direct, and control the District business operations and working force; to hire, assign, suspend, transfer, lay off, discipline or discharge employees; to determine the means and methods by which work is to be performed; to determine job classifications and standards of performance; to introduce or discontinue any program or facilities, including the right to contract out work performed by employees covered by this Agreement in accordance with applicable law; and the right to require employees to observe Board Rules and Regulations not inconsistent with this Agreement, are all vested exclusively in the Board of Trustees of the Los Angeles Community College District.
- B. It is further understood and agreed that all rights heretofore exercised by, or inherent in the Board of Trustees, not expressly contracted away by the terms of this Agreement, are retained solely by the Board of Trustees; and that should the Board of Trustees (employer) fail to exercise any of said rights or exercise them in a particular manner, it shall not be

deemed to have waived such rights or be precluded thereafter from exercising them in some way or manner.

- C. The Board of Trustees may legally delegate or assign any District rights or responsibilities to management or to such other official persons, divisions, departments, and committees as it shall determine appropriate.

ARTICLE 5 RENEGOTIATION

In the event either party hereto desires to negotiate a successor Agreement, such party shall serve upon the other, not before six (6) months prior to the expiration date of the Agreement, a written request to commence negotiations as well as an initial written proposal for such successor Agreement. Upon receipt of such written notice and proposal(s), negotiations shall commence not later than fifteen (15) working days after all conditions of Government Code Section 3547 are met. The District shall implement the request for renegotiations in accordance with its Collective Bargaining Initial Proposal Procedure.

ARTICLE 6 SEVERABILITY

- A. If any provision of this Agreement should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by any tribunal of competent jurisdiction pending a final determination as to its validity, the remainder of this Agreement or the application of such Article or Section as to persons or circumstances other than those as to which it has been held invalid or as to which compliance with or enforcement of has been restrained, shall not be affected thereby.
- B. This Agreement may be altered, changed, added to, deleted from or modified only through the voluntary and mutual consent of the parties in a written and signed amendment to this Agreement. This Article shall not be subject to the grievance provisions of Article 18.

ARTICLE 7 WAIVER

- A. The parties agree that during the negotiations which culminated in this Agreement each party enjoyed and exercised without restraint, coercion, intimidation, or other limitation, the right and opportunity to make demands and proposals or counterproposals with respect to any matter not reserved by policy or law from compromise through bargaining and that the understandings and agreements arrived at after the exercise of that right and opportunity are set forth herein.

- B. The parties agree, therefore, that the other shall not be obligated to negotiate or bargain collectively with respect to any subject or matter, whether referred to herein or not, even though such subject or matter may not have been in the knowledge and contemplation of either or both of the parties at the time that they negotiated or signed this Agreement, except those matters defined by law to be within the scope of bargaining.

ARTICLE 8 COUNCIL RIGHTS

- A. The Council shall have the right of access at reasonable times to areas in which employees work, the right to use institutional bulletin boards, mailboxes, and other means of communication, subject to reasonable regulation, and the right to use institutional facilities provided that such use or access shall not interfere with nor interrupt normal District or campus operations nor shall such use cause an additional or an increased maintenance cost to the District. In cases of use or access that will result in additional costs to the District, arrangements shall be made prior to use for reimbursement to the District by the Council.
- B. The Council shall be entitled to a representative at all public Board of Trustees meetings and shall be allowed to speak on any agenda item in accordance with existing Board Rules.
- C. The District shall furnish to the Council, upon written request, all available information that is available to the public concerning items affecting the Unit subject to a reasonable charge.
- D. A reasonable number of shop stewards not to exceed one (1) shop steward per shift per location shall be designated by the Council in writing; such list shall be provided to Employer/Employee Relations on or before July 1 of each year. Additions to or deletions from the list shall be reported in writing to Employer/Employee Relations as they occur. Said shop steward shall be granted reasonable released time for the purpose of representing employees in grievance resolutions, and to attend committees appointed to by the Council.
- E. In order to facilitate the implementation of this Article, the District agrees to provide the Council with a listing of Crafts Unit employees' names, addresses, telephone numbers, and classification titles at least once each month. Such names and addresses received by the Council through this provision shall only be used for the implementation of this Article and for no other purpose.
- F. The Council shall be allowed one (1) representative on each campus shared governance committee that deals with issues directly and specifically relevant to the Crafts Unit, one (1) representative on the District Budget Committee (DBC) and one (1) representative on the Joint Labor Management Benefits Committee. Crafts Unit committee members shall be appointed by the Crafts Unit.
- G. Subsequent to mutual consent on the format, copies of this Agreement shall be printed at shared expense and a copy distributed to each Unit member now employed. The District shall distribute a copy to all new employees.

- H. Stewards shall be permitted mobility to other campuses for purpose of representing a steward on another campus who has requested such representation.
- I. At the close of each pay period, the District shall provide the Council with a list of all newly employed and newly terminated Unit members. Addresses, telephone numbers and location shall be provided in electronic form to the Council by the District as soon as possible

ARTICLE 9 ORGANIZATIONAL SECURITY

- A. The District shall deduct and make appropriate remittance to the Council all dues and/or service fees as regulated by the dues structure of the Council, within thirty (30) days of the deduction, in accordance with the following:
 - 1. The District shall deduct union dues for those unit members who have the appropriate union dues deduction card on file with the Disbursements Branch of the Business Services Division.
 - 2. The District shall deduct agency fee amounts, by classification, designated by the Council, for all members of the Unit who do not have an appropriate dues deduction authorization on file with the Disbursement Branch of the Business Services Division.
 - 3. Unit members who object, on religious grounds, to paying union dues or agency fees shall apply to the Council for exemption to Section A.1. or A.2. above. If the exemption is agreed upon by the Council, the District shall deduct the equivalent of union dues and pay that sum to one of the non-profit charitable organizations approved by the District for payroll deductions.
 - 4. Management and confidential employees with additional assignments covered by this Agreement shall not be required to pay union dues or agency fees.
 - 5. The District shall not be liable to the Council by reason of the requirements of this Article for the remittance or payment of any sum other than that constituting actual deductions made from the wages earned by the employee. The Council agrees it shall indemnify and save the District harmless from any liability arising from any and all claims, demands, suits, or other actions arising from compliance with this Article, or, in reliance of any list, notice certification or authorization furnished under this Article. The Council, in addition, agrees it should refund to the District any sums paid to it in error.
- B. The District shall withhold agency shop fees for those employees identified in accordance with Section A.2. above effective the first pay period beginning their seventh month of employment with the District.

ARTICLE 10 HOURS AND OVERTIME

A. Workweek and Workday

1. The normal workweek shall consist of not more than five (5) days and not more than forty (40) hours per week, Sunday through Saturday. The regular workday shall consist of not more than eight (8) hours per day. Nothing in this Article shall be deemed to restrict the extension of the regular workday or workweek on an overtime basis when such is necessary to carry on the business of the District.
2. Nothing in this Article shall be deemed to bar the District from establishing a workday of less than eight (8) hours or a workweek of less than forty (40) hours, or preclude the District from establishing a ten (10) hour per day, forty (40) hour per week schedule for any or all employees in accordance with Education Code section 88031. If a ten (10) hour per day, forty (40) hour per week schedule is established for employees, the overtime rule, Article 10, Section B., shall be applicable in excess of ten (10) hours in one day rather than eight (8) hours as indicated. Employees assigned to work a four (4) day, forty (40) hour per week schedule shall revert to a five (5) day, forty (40) hour per week schedule during any week in which a holiday occurs. The District and the Council may consult on additional alternative means of scheduling employees' workweeks who are assigned to four/forty (4/40) work schedules or nine/eighty (9/80) work schedules.
3. Employees' daily hours of work and shifts shall be established at the discretion of the District to meet the operational needs of the District. An employee's shift may not be changed permanently unless he/she is given twenty (20) working days written notice. A permanent shift change is defined as any shift change which will last in excess of twenty (20) working days. Employees' regular work schedules must include at least two (2) consecutive days off. An employee who is assigned on a temporary shift shall receive the highest of either his regular shift differential or the temporary shift differential.
4. Nothing contained in this Article shall be construed as a guarantee by the District of a certain number of paid hours per day or days per week.
5. For the purpose of computing hours worked, time during which an employee is excused from work because of holiday, vacation, or paid leaves or paid absences, shall be considered as time worked by the employee.

B. Overtime

1. Overtime shall be compensated as either cash payment or compensatory time off, at a rate equal to time and one-half (1 ½) the regular rate of pay of the employee who worked overtime. If compensatory time off is granted in lieu of cash payment, such compensatory time off shall be taken by the employee before the end of the fiscal year in which the overtime was worked. The compensatory time off shall be taken at a time convenient to

the employee provided that it is scheduled in advance, and as determined by his/her supervisor, would not unduly interfere with the operation of the unit. If the employee and his supervisor cannot agree on scheduled time off for compensatory time, the employee shall be required to take the time off within the next pay period.

2. Employees assigned a workday of seven (7) hours or more and a workweek of thirty-five (35) hours or more shall receive compensation at a rate equal to one and one-half (1 ½) times the regular rate of pay, or compensatory time off, for work authorized and performed in excess of eight (8) hours in one day and in excess of forty (40) hours in any workweek.
3. Employees assigned an average workday of four (4) hours or more but less than seven (7) hours and a workweek of twenty (20) hours or more but less than thirty-five (35) hours shall be compensated at a rate equal to one and one-half (1 ½) times the regular rate of pay, or shall be provided compensatory time off, for any work authorized and required to be performed on the sixth (6th) and seventh (7th) days following the commencement of the regular workweek, or for hours worked in excess of eight (8) hours in one day or hours worked in excess of forty (40) hours in a calendar week.
4. Employees assigned an average workday of less than four (4) hours shall be compensated at a rate equal to one and one-half (1 ½) times the regular rate of pay, or shall be provided compensatory time off, for any work authorized and required on the seventh (7th) day following the commencement of the regular workweek, or for hours in excess of eight (8) hours in one day or hours worked in excess of forty (40) hours in a calendar week.
5. When an employee is authorized and required to work on any day recognized as a holiday under this Agreement, he/she shall be compensated, in addition to regular pay received for the holiday, at the rate of one and one-half (1 ½) times the regular rate of pay for actual hours worked.
6. To the extent practicable, the District shall use reasonable efforts to distribute overtime work equitably among the qualified employees of an office, operational unit or work group with consideration given to District need and employee availability in making the distribution. Upon reasonable notice, an employee shall be required to work overtime as needed.
7. Assignments to the following classes by reason of their variable daily hours are excluded from the time and one-half provisions of this Article, for hours worked in excess of eight (8) hours a day, but are not excluded from overtime compensation for hours worked in excess of forty (40) hours per week: Performing Arts Technician, Costume Maker.
8. The District and the Council will comply, as appropriate, with the Fair Labor Standards Act.

C. Call Back

1. Full-time employees who are called back to work, after leaving the work site, outside their regular work hours, shall be guaranteed a minimum of four (4) hours pay at the appropriate overtime rate.
2. In the event an employee is assigned to perform work outside his or her regular hours of employment, on an emergency or non-scheduled basis as distinguished from a scheduled overtime basis, the performance of which involves the operation of his automobile from his or her home, he or she shall be entitled to receive reimbursement for total mileage traveled in connection with such assignment.

D. Lunch Breaks and Rest Periods

1. Lunch Breaks

All employees covered by the Agreement who work four (4) hours a day or more shall be provided an uninterrupted daily unpaid thirty (30) minute lunch break to be scheduled at approximately the halfway point on their work schedule. The unpaid lunch break may be extended for a period of not longer than one (1) hour as determined by the District.

Unless the employee is relieved of all duty during the specified lunch break, such break shall be considered an “on duty” meal period and counted as time worked. An “on duty” meal period shall be permitted only when the nature of the work prevents an employee from being relieved of all duty.

2. Rest Periods

All employees who work six (6) hours or more but less than seven (7) hours a day, shall be granted a fifteen (15) minute rest period. All employees who work seven (7) hours or more a day shall be granted two (2) daily fifteen (15) minute rest periods. Such rest periods shall be taken in accordance with a posted schedule but not during the first or last hour of the assignment. The rest periods shall not be used to lengthen the lunch breaks or to shorten the workday.

ARTICLE 11 HOLIDAYS

- A. An employee in a regular assignment or in an assignment in lieu of his/her regular assignment shall receive holiday pay for those holidays listed below and for other holidays declared by the Board of Trustees, the Governor of California, or the President of the United States which come within the employee's assignment period, subject to the conditions listed in 11.A.1. through 11.A.3.

 2. Employees whose regularly scheduled day off is Friday shall receive the number of hours to which they are eligible on the preceding Thursday.

 5. Employees who are required to work on the Friday of Spring break afternoon shall receive four (4) hours (or a proportional number of hours for employees assigned less than full-time) as a floating holiday, to be taken at the convenience of the employee with the concurrence of the supervisor, prior to the close of the academic year in which it was granted.

ARTICLE 12 VACATION

A. Accrual of vacation shall be determined based on the factors and in the manner set forth in the following table:

Creditable Years of Paid Service	Vacation Accrual Factor Based on 40 Hour Workweek Excluding Overtime	Days of Vacation Based on a 12- Month Assignment
Less than 1 year	.03846	10

12 years but less than 13 years	.07308	19
13 years but less than 20 years	.07693	20
20 years or more	.09232	24

B. For purposes of this Article, a year is defined as the twelve-month period of time between the start and end of each fiscal year (July 1 to June 30)

C. In order to be credited with a year of service for the purpose of this Article, an employee must have been in regular status during the appropriate year, as defined above, for at least one hundred thirty (130) days in paid status or on leave of absence prior to layoff or for industrial accident, industrial illness, or military service.

D. Credits for years of service shall be applied, and vacation accrual rates shall be changed as required by this Article, effective on the first day of the employee's anniversary date of each year when it becomes feasible to implement.

E. An employee serving an initial probationary period shall not be eligible to take vacation until the first day of the pay period following completion of the number of hours that correspond to one hundred thirty (130) days of paid service in regular assignments. No vacation shall be taken until earned. No payment for vacation accumulation shall be made to employees who separate prior to completion of one hundred thirty (130) days of paid service.

F. For purposes of this Article, one hundred thirty (130) days shall be defined as one hundred thirty (130) times the average number of regularly assigned hours per day for the employee.

G. No vacation or part thereof shall be taken at a lesser rate than one (1) hour at a time.

H. Vacation shall be taken at a time convenient to the employee provided that it is scheduled in advance, and, as determined by his/her supervisor, it would not unduly interfere with the operation of the unit or be contrary to established vacation policies or procedures of the unit. However, nothing in this Article shall be construed to prohibit the District from requiring employees to take vacation in lieu of cash payment as provided in Section 12.I and 12.J.

1. Employees who, on July 25, 1981, had four hundred (400) hours or less of unused vacation credit accumulated, and all employees hired thereafter, shall be permitted to accumulate vacation credit up to four hundred (400) hours.

Employees who, on July 25, 1981, had more than four hundred (400) hours of unused vacation credit shall be allowed to retain that individual number of hours as a maximum accumulation limit. Crafts Unit employees shall not earn any additional vacation in any pay period in which a Crafts Unit employee's vacation balance equals or exceeds four hundred (400) hours, or the individual maximum accumulation amount for those who had vacation balances in excess of four hundred (400) hours as of July 25, 1981.

J. The amount of vacation actually earned, and only that amount, shall be available, regardless of changes in status. The rate at which vacation allowances are paid shall be at the employee's current rate. No employee shall be allowed to take vacation while temporarily serving as a substitute, relief, or provisional unless he/she has served for the equivalent of more than ninety (90) consecutive working days, or receives specific approval from the appropriate administrator.

Vacation earned for perfect attendance shall continue to accrue regardless of an employee's vacation balance, however such accrual shall count toward the 400-hour limit.

K. On voluntary reduction in status, layoff, or separation from the classified service, the money value of vacation balances shall be paid as a lump sum to permanent employees. In cases where separation is not at the end of a pay period, vacation credit shall be computed through the last day in paid status.

L. Lump sum vacation payments shall be made on the basis of the hourly equivalent rate for the employee's last regular assignment.

M. When a regular employee (whose regular assignment is on other than a twelve [12] month assignment basis code) is paid during the summer as a relief, substitute, or provisional employee, the employee shall earn vacation in accordance with the schedule in Section 12.A. of this Article, whichever is applicable to the position in which he/she serves during the summer.

N. A regular employee who serves in his/her regular assignment and also in a summer substitute, relief, or provisional assignment during the same pay period shall not earn more vacation for that pay period than if he/she has served one hundred sixty (160) hours in his/her regular assignment.

- O. A permanent employee may, upon approval of the appropriate administrative authority, be permitted to interrupt or terminate vacation leave in order to begin illness leave provided such leave is necessary for not less than two (2) days and the employee indicates at the earliest practical opportunity:
 - 1. The basis of the request for change in leave status and provides appropriate supporting documents including a certification of illness from a licensed physician or other recognized practitioner in case of illness.
 - 2. The probable duration of the requested leave.
- P. The responsible administrator shall take such steps, as he/she deems necessary, to satisfy himself/herself that the paid illness leave was in accordance with Section F. of Article 13.
- Q. A permanent classified employee may be, upon approval of the appropriate administrative authority, permitted to interrupt or terminate vacation leave in order to begin Bereavement Leave in accordance with Bereavement Leave, Section B. of Article 13. Bereavement Leave shall not be extended by use of Personal Necessity Leave.

ARTICLE 13 LEAVES AND ABSENCES

A. General Provisions

- 1. Leave and Absence Defined
 - a. Probationary and permanent employees shall be eligible for certain paid and unpaid leaves. A leave is an authorized absence from active service granted to probationary or permanent employees, for a specified purpose and period of time, with the right to return to active service, unless the employee's service would otherwise have been terminated. Leaves are either "permissive" or "mandatory". As to permissive leaves, the term "may" is used and the District retains discretion as to whether they are to be granted, and as to the starting and ending days of the leave. As to mandatory leaves, the term "shall" is used and the District has no discretion as to whether the leave is to be granted to a qualified employee.
 - b. In this Article, "working days" are considered as beginning on the first day for which leave is claimed at the time the employee usually reports for work through the last day for which leave is claimed until the time the employee usually leaves the job.
 - c. All leaves which are charged against accrued illness leave shall be charged on an hour-for-hour basis.

2. Rights Upon Return

An employee returning from a leave of ninety (90) days or less will be returned to the location from which the leave was taken, except that the employee may be transferred, if such transfer would have been made if the employee had been on duty, or if the employee's former position in the class no longer exists, in which case the employee may exercise bumping rights in the class, provided that he/she does not have the least seniority in that class.

3. Restrictions

An unpaid leave or absence may not be converted to a paid leave or absence, except in the case of pregnancy disability as provided in Section I., Maternity Leave, of this Article. A continuous period of absence or leave shall not exceed one year without a return to active duty, except as provided in Section D., Child Care Leave, Section F., Illness Leave, Section G., Industrial Accident Leave, and Section J., Military Leave, of this Article.

4. Applications

Applications for permissive leaves of absence must be submitted on or before the dates established by this Article or if not, at least ten (10) working days prior to commencement of the leave. Exceptions may be made at the sole discretion of the District. Applications for leaves of absence for a period of more than twenty (20) consecutive working days shall be made on a prescribed District form and shall indicate the beginning and ending dates of the requested leave and the reasons for the request.

5. Notification Requirements

- a. Unless otherwise provided in this Article, an employee must make every reasonable effort to contact and notify the appropriate supervisor, administrator or designee the working day prior to the beginning of an absence, but notification shall not be later than the first half (1/2) hour of the first day of absence except in unusual circumstances. Notwithstanding other provisions of this Article, an employee intending to be absent in excess of five (5) working days must also submit a written request covering the period of absence to the appropriate supervisor no later than the third (3rd) day of absence.
- b. All employees returning to service must notify the appropriate supervisor, administrator or designee at least one (1) working day prior to the day of anticipated return. If such notice is not given and both the employee and a substitute report for duty, only the substitute is entitled to work and to be paid.

- c. The District will endeavor to notify unit members once each pay period of their current and accrued leaves totals, including vacation, illness leave and compensatory time.

6. Cancellation or Early Return from Leave

If the employee is absent because of illness or injury for more than five (5) consecutive days, the employee must submit a certificate from a licensed physician or other recognized practitioner certifying such absence to have been on account of illness or injury. Application for such leave of absence shall be sent by an employee's college or division to an employee who has been absent because of illness or injury for ten (10) consecutive days. Salary payments shall be withheld from an employee who has been absent because of illness or injury for more than twenty (20) consecutive days, if formal leave of absence has not been approved by the Human Resources Division.

- c. **The Performance Evaluation for Classified Employees form** located in Appendix B will be used to record the results of the evaluation process. The District may make additional performance evaluations for permanent or probationary employees at any time. Refer to the instructions included with the evaluation form for the conditions under which a supervisor may conduct additional evaluations.
- d. The District may omit probationary performance evaluations for an employee who:
 - (1) Has permanent status in the classified service,
 - (2) Is occupying a position reclassified to another class,
 - (3) Has occupied the same position prior to the reclassification action and, while occupying the position,
 - (4) Has received a performance evaluation during the year preceding the effective date of the reclassification action.

B. Procedure

1. Performance evaluations shall be made by those persons who are immediately responsible for the employee's work. The evaluator either oversees, reviews, and checks the daily work performance of the employee being evaluated, or is the one who is most closely acquainted with the employee's daily work performance. The performance evaluation made by such a first-line supervisor may be supplemented by a separate evaluation by a central staff specialist who exercises functional supervision, when such an evaluation appears to be desirable. Probationary employees may be evaluated by each supervisor under whom the employee has worked during the probationary evaluation period. Permanent employees shall be evaluated by each supervisor under whom the employee has worked at least ninety (90) working days during the performance evaluation period.

2. Steps to be followed and factors to be evaluated by supervisors in completing the Performance Evaluation Forms are described on the reverse side of the forms, see Appendix B.
3. An individual evaluation conference shall be held with each employee at which time an explanation shall be given for:
 - a. The reasons for performance evaluation
 - b. Job content
 - c. The kind of work performance expected
 - d. The basis for the evaluation given
 - e. Areas where work performance may be improved, if any
4. The employee shall have an opportunity to review his or her evaluation prior to placement in his or her personnel file.
5. Review of the performance evaluation by the next higher level of administrative authority is optional. Any comments made by the reviewer shall be signed and shown to the supervisor who made the evaluation and to the employee.
6. A supervisor who believes that an employee's work performance has been exceptional should complete the District's form entitled "Notice of Outstanding Work Performance," in addition to the District's Performance Evaluation Form, or at any time when deemed appropriate. The outstanding work performance described may have occurred on a day-to-day basis, or in an unusually difficult and/or emergency situation. All Notices of Outstanding Work Performance shall be reviewed and signed by the employee's college president or division head or designated representative. Employees shall be provided a copy of any written comments made by the reviewer.
7. The supervisors shall complete the evaluation process by following the steps included on the evaluation form in Appendix B.

C. Definitions of Evaluation Ratings

1. **Exceeds Work Performance Standards:** A check in this column indicates that the employee's work is better than satisfactory. If there are a number of checks in this column, the supervisor should consider giving a Notice of Outstanding Work Performance.
2. **Meets Work Performance Standards:** A check in this column indicates that the employee's work is definitely and consistently satisfactory.
3. **Needs Improvement Performance Standards:** Persons evaluated in this category usually require additional training and closer supervision in order to meet fully the established work standards. The employee should understand that his/her work is not considered unsatisfactory. Continued failure to show improvement may lead to preparation of a Notice of Unsatisfactory Service.

D. Classification of Position

The employee and the supervisor shall review the duties of the class as listed in the current class description. If either feels that the employee spends an appreciable portion of his/her time performing duties inappropriate to his or her class, either the employee's duties need to be modified to fit the classification description or a reclassification of the position should be initiated with the Personnel Commission.

E. Appeal

1. Except as provided below, any and all matters related to performance evaluations shall not be subject to the grievance and arbitration provisions of Article 18.
 - a. Only if a permanent employee receives one or more checks in the below "Below Work Performance Standards" column may he/she avail him/herself of the grievance procedure. Such grievances shall only be processed up to and including Step Three (3) of said procedure (see Summary of Due Process, Appendix C).
 - b. Notices of Unsatisfactory Service issued to permanent employees which are not related to a recommendation for further disciplinary action, may be grieved in accordance with the provisions of the grievance procedure (see Summary of Due Process, Appendix C).

ARTICLE 16 HEALTH AND WELFARE

The Los Angeles Community College District (the “District”) and the exclusive representatives of the District’s employees (the Los Angeles College Faculty Guild, AFT Local 1521; the AFT College Staff Guild, Los Angeles, AFT Local 1521A; the Los Angeles City and County School Employees Union, SEIU Local 99; the Los Angeles/Orange County Building and Construction Trades Council; the Supervisory Employees Union, SEIU Local 347; and the Public, Professional and Medical Employees Union of the California Teamsters, Local 911—hereinafter collectively referred to as the District’s “Exclusive Representatives”) agree to the following provisions regarding the District’s Health Benefits Program, group life insurance coverage and employee assistance program. This agreement is intended to replace all existing agreements between the parties on the subject of the District’s Health Benefits Program as defined in this agreement, as well as the District’s group life insurance coverage and employee assistance program, and for that reason shall, notwithstanding anything to the contrary in any of the individual agreements between the District and its Exclusive Representatives, entirely supersede all previously negotiated agreements between the parties with respect to those subjects:

I. Health and Related Benefits Program for Active Employees and their Dependents and Survivors

A. Health Benefits Program. The District’s “Health Benefits Program” consists of group benefit plans recommended by the Joint Labor/Management Benefits Committee and approved by the Board under which eligible District employees (and their eligible dependents) receive hospital, medical, dental, and vision care coverage. The purpose of the Health Benefits Program is to provide quality health care to the District’s employees, retirees, and their eligible dependents and survivors.

- 1. Eligibility.** Each of the following employees and his or her dependents and survivors are eligible to receive benefits and enroll in plans under the Health Benefits Program once the District has verified the employee’s, dependent’s or survivor’s eligibility under this agreement:
 - a.** Every member of a classified bargaining unit who is employed at least half time as either a probationary or regular classified employee.
 - b.** Every faculty member who is employed at least half-time in one or more monthly rate assignments.
 - c.** Every member of the administrators’ bargaining unit who is employed at least half time.
- 2. Dependents.** Dependents who are eligible to enroll in plans under the Health Benefits Program include an eligible employee’s:

- a. Spouse.
- b. Qualified domestic partner as specified in Appendix I.
- c. Unmarried dependent children under age 19.
- d. Unmarried dependent children age 19 through 25 who are full-time students at a college or university.
- e. Unmarried dependent children (not otherwise eligible under subsection 2.c or 2.d, above) without regard to age who are physically or mentally incapacitated, and who are being claimed as dependents on the employee's federal income tax returns. (However, a dependent's coverage under this subsection must be a continuation of his or her coverage under the Health Benefits Program and, if there is ever a break in coverage, the dependent shall not be eligible to re-enroll.)

As used in this section, the term "dependent children" means an employee's natural children, step-children, legally adopted children, foster children, and the dependent children of a domestic partner only.

- 3. **Survivors.** Upon the death of an active employee, the District shall deem the employee to have resigned from District employment on the date of his or her death and to have begun receiving a retirement allowance whether or not the employee was in fact old enough to retire. If, based on that premise, the employee would have been eligible to continue his or her participation in the hospital and medical plans available to active employees under Section III below, Article III of this Agreement shall be applicable to the employee's survivors as if they were survivors of a retiree. For that purpose, references to survivors of retirees in Section III shall be deemed to refer to those individuals.
- 4. **Enrollment.** Verification of eligibility, and enrollment or re-enrollment in plans shall be administered as follows:
 - a. **Initial Enrollment.** Upon employment, each new employee who is eligible to enroll in plans under the Health Benefits Program shall receive complete information regarding the District's Health Benefits Program, and may enroll in hospital, medical, dental, and vision care plans at any time, except that enrollment in the Premium Only Plan described in Section II can only take place during the designated time periods. If the District receives the employee's enrollment forms on or before the 15th day of the calendar month, the District shall process the forms so as to make coverage effective on the first day of the following calendar month, otherwise coverage shall become effective on the first day of the second calendar month following the District's receipt of the forms.
 - b. **Re-enrollment Following a Break in Coverage.** Following a break in coverage for any reason other than an error by the District, an eligible employee may re-enroll in

hospital, medical, dental, and vision care plans at any time. However, unless re-enrolling during an open enrollment period, the employee must re-enroll in the same plan he or she was enrolled in when his or her previous enrollment ended. If the District receives the employee's re-enrollment forms on or before the 15th day of the calendar month, the District shall process the forms so as to make coverage effective on the first day of the following calendar month, otherwise coverage shall become effective on the first day of the second calendar month following the District's receipt of the forms.

- c. ***Open Enrollment.*** There shall be an open enrollment period each enrollment year during which eligible employees may change plans. The District shall establish and announce the dates of such open enrollment period, and shall mail open enrollment materials to employees fourteen or more days before the beginning of the open enrollment period. If an eligible employee requests a change of plan, he or she shall continue to be covered under his or her existing plan until coverage under the new plan can be instituted.

- d. ***Changes in Enrollment Other Than During Open Enrollment.*** Once enrolled in a plan, employees are generally barred from changing their enrollment except during an open enrollment period. Nevertheless, changes may be made under the following circumstances:
 - (1) Any employee who is enrolled in a closed panel plan and who changes his or her permanent residence to a location that is outside the service area of the plan may, by submitting a timely application to the District, change his or her enrollment to a plan that provides service in the area of his or her new permanent residence without a break in coverage. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the employee established his or her new permanent residence.

 - (2) Any employee who is enrolled in a closed panel plan and who, during an approved study, retraining or sabbatical leave of absence of sixty (60) days or more, temporarily relocates to a location that is outside the service area of the plan may, by submitting a timely application to the District, temporarily change his or her enrollment to a plan that provides service in the area in which he or she will be temporarily located. To be timely, the application for a temporary change in enrollment must be received by the date on which the employee's leave commences.

 - (3) Any employee whose enrollment in a plan is terminated at the request or option of the plan provider for any reason other than non-payment of premium may enroll in another plan without a break in coverage by submitting a timely application to the District. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the employee's enrollment was terminated.

(4) Finally, any employee who has had a “qualified life event” as defined by Sections 125 and 129 of the Internal Revenue Code may change his or her eligible dependents by submitting a timely application to the District. To be timely, the application for a permissible “qualified life event” change must be received by the District within thirty-one days of the qualifying event.

e. ***Mandatory Re-enrollment During Open Enrollment.*** The District, upon recommendation of the JLMBC, may designate any open enrollment period as a mandatory enrollment period during which every eligible employee must re-enroll for himself or herself and for each of his or her eligible dependents. If an employee fails to re-enroll during any such mandatory enrollment period, his or her enrollment in hospital, medical, dental, and vision care plans shall end at the beginning of the next plan year. In that event, the employee may, if he or she remains eligible, re-enroll in plans at any time and the District shall verify his or her eligibility and process the employee’s re-enrollment forms as if they were initial enrollment forms—i.e. if the District receives the re-enrollment forms on or before the 15th day of the calendar month, it shall process them so as to make coverage effective on the first day of the calendar month following receipt of the forms, otherwise coverage shall become effective on the first day of the second calendar month following the District’s receipt of the forms.

5. **District Contribution Towards Premiums.** Eligible employees shall be entitled to the District’s contribution towards the premium costs of the plans in which they and their dependents are enrolled if:

- a. the eligible employee was in paid status during the calendar month preceding the month during which benefit coverage is effective and received at least one-half of the pay he or she would have earned had he or she received pay for full-time work; or
- b. the eligible employee, even though not in paid status, is on a formal illness leave of absence for a period of not more than eighteen months.
- c. a specific section of the collective bargaining agreement applicable to the employee (for example, a section specifying compensation during certain leaves) explicitly provides for his or her entitlement to the District’s contribution.

For the purposes of Section 5.a, every eligible employee, other than a temporary monthly-rate faculty member, shall be deemed to be in paid status during any recess or intersession if he or she is scheduled to return to paid status in his or her position at the end of the recess or intersession. A temporary monthly-rate faculty member shall be deemed to be in paid status during any recess or intersession if, before the beginning of the recess or intersession, he or she is assigned to a position at any district location that will render him or her eligible for benefits and is scheduled to return to paid status in that position at the end of the recess or intersession.

- 6. Payment of Premiums During Unpaid Leaves.** Eligible employees who have been granted an unpaid leave of absence and who are therefore not entitled to the District's contribution towards the premium costs of the plans in which they and their dependents are enrolled may continue to receive benefits under the Health Benefits Program by paying the District in advance for the full monthly premium of the plans. The amount of the reimbursement shall be determined by dividing the annual premium for the plans by twelve and multiplying the result by the number of months of leave during which the employee will not be entitled to the District's contribution towards premium costs.

Payment must be made by check or money order made payable to the District, and may be made in monthly installments.

Should an employee fail to make a payment required by this section, coverage shall terminate at the end of the month for which the last payment was received. Should the District terminate an employee's coverage in error, it shall reinstate the employee's coverage as soon as the error is discovered and, at the employee's option, either issue the employee a refund of the amount he or she paid for the months during which he or she did not receive coverage, or extend the employee's coverage for an equivalent period.

- 7. Continued Eligibility and Payment of Premiums Following Layoff or Furlough.** Notwithstanding anything in Sections I.A.1 and I.A.6 to the contrary, employees who have been furloughed shall remain eligible to receive benefits under the Health Benefits Program, and shall continue to be entitled to the District's contribution towards the premium costs of the plans in which they and their dependents are enrolled, during the period of their furlough. Furthermore, employees who have been laid-off shall remain eligible to receive benefits, and shall continue to be entitled to the District's contribution towards the premium costs of their plans, according to the following table:

Years of Service	Months of Continuation Following Layoff
1-5	2 months
6-10	4 months
11 or more	6 months

A furlough is a temporary lay-off for a specified period with a definite return date. A layoff is a separation from regular service for lack of work or lack of funds, or because of a reduction in force.

These rules for furlough and lay-off do not apply to employees who are in temporary or limited status or classified specially funded program (SFP) status unless they hold regular or permanent status in another position in the District.

8. Conditions of and Limitations on Eligibility and Coverage.

- a. Employees and their dependents may not be enrolled in more than one District sponsored plan at any one time. For that reason, an employee may be enrolled in a plan in his or her own capacity as an employee, or as a dependent of another employee, but not simultaneously in one plan as an employee and in another plan as a dependent. Likewise, children or other individuals who qualify as dependents may be enrolled in a plan only once as a dependent, not simultaneously in one plan as a dependent of one employee and in another plan as a dependent of another employee.
- b. Every employee (or in the event of his or her incapacity, the employee's representative or agent) shall report any event or change of circumstance that has an effect on the administration of coverage under the Health Benefits Program. Such events or changes include, but are not limited to, change of address or telephone number, marriage, divorce, dependent's loss of eligibility, death of the employee, or death of a dependent.

9. COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985). Once an employee who has enrolled in a plan under the Health Benefits Program becomes qualified for COBRA benefits, the District shall ensure that he or she is given the opportunity to continue coverage under the Health Benefits Program pursuant to COBRA in the manner prescribed by federal law.

10. If the internal responsibility for the administration of the Health Benefits Program is changed because responsibilities among the administrative units of the District are reorganized, notice of that change shall be given to the exclusive representatives within thirty days.

11. Health Care Legislation. The District and the Exclusive Representatives shall consult on the implementation of Education Code sections 7000-7008, Medicare Part D provisions and the District's obligation to address Governmental Accounting Standards Board (GASB) Statements 43 and 45. In the absence of an agreement to do otherwise, the Federal Medicare Part D subsidy will be held in a reserve fund for future retiree health care related to GASB 45 obligations. In the event that new health care legislation is enacted and the District is required to implement a plan pursuant to such legislation, the District and the Exclusive Representatives shall consult in order to assess the effects of such legislation.

B. Group Life Insurance Program. The District's group term life insurance program shall be continued for the duration of this Agreement subject to modification based on the recommendations of the Joint Labor Management Benefits Committee and approval of the Board.

- 1. All active employees eligible for benefits under Section I.A.1 of this Agreement shall be eligible for group term life insurance benefits under the program.

2. The limits of coverage under the program shall be \$50,000, however, employees age 70 or above shall receive coverage equal to an amount equal to the greater of the minimum amount required by Federal Law or 50% of the amount in force immediately prior to his or her 70th birthday. This reduction shall take place on the premium date coincident with or immediately following his or her 70th birthday.

C. Employee Assistance Program. The District's Employee Assistance Program shall be continued for the duration of this Agreement subject to modification based on the recommendations of the Joint Labor Management Benefits Committee and approval of the Board. All active employees (including those who are not eligible for benefits under Section I.A.1 of this Agreement), and their dependents, shall be eligible for participation in the Employee Assistance Program.

D. Tax Sheltered Retirement Plans. The District shall continue its voluntary salary reduction agreement program under which employees may contribute to tax sheltered retirement plans under Internal Revenue Code Sections 403(b) and 457. The process for selecting third-party administrators (TPAs) for these plans shall include the issuance of a formal request for proposals by the District, review of the responses by a task group consisting of representatives of the District and the Exclusive Representatives, and selection of TPAs based on the recommendation of the task group.

A list of the 403b vendors and enrollment forms available through our District can be found at www.403bcompare.com, or via a link on the District's web site.

E. IRC 125 and 129 Plans. The District shall continue its voluntary flexible spending account plan covering medical and dependent care expenses under Internal Revenue Code Sections 125 and 129.

II. Health Benefits Program for Part-time Temporary Faculty¹ and Temporary Adjunct Faculty

The District shall provide eligible part-time temporary faculty and temporary adjunct faculty members access to its hospital/medical, vision and dental group coverage plans as provided in this Section beginning in Plan Year 2006. Access to the District life insurance plan is not included. When an employee is eligible, he or she will have access via either of two methods: District Contribution and Premium Only Plan (see. Section II. A. below), or No District Contribution (see Section II. B. below).

A. District Contribution and Premium Only Plan

¹ This refers to those part-time temporary faculty who are employed less than half time in one or more monthly rate assignments. Faculty serving in a .50 (or higher) FTE temporary monthly rate assignment as a limited or long term substitute instructor are eligible for full benefits for the duration of that assignment and should refer to Section I of this Agreement regarding their eligibility requirements.

1. **Eligibility.** A part-time temporary faculty member or temporary adjunct faculty member is eligible to receive access to hospital/medical group coverage, except the District life insurance plan, under this section if he or she has been assigned and working as A part-time temporary faculty member or temporary adjunct faculty member in the District and meets the eligibility requirements in sections B.1 through B.4 below:
 - a. Be assigned to a .33 (or higher) FTE temporary (limited or long term substitute) or adjunct faculty load in the District to count towards eligibility for this plan-
 - b. Open but inactive assignments - no work, no pay - do not constitute employment in this context. Should the faculty member have an adjunct assignment in another community college district, verification denoting the FTE of the assignment is to be provided to the District.
 - c. Have completed at least a .2 FTE part-time temporary faculty member or temporary adjunct faculty position in the District during three or more semesters out of the previous eight consecutive semesters.
 - d. Sign an affidavit (to be developed by the District) that he or she is not eligible for hospital/medical coverage through another employer and provide this eligibility verification at the start of each academic year.
 - e. Participate in the District's "premium only plan" (POP) under the terms of Internal Revenue Code Section 125, so that the employee's contribution to the District sponsored hospital/medical, vision, and dental group plans will be deducted, pre-tax, from salary warrants. The amount of the employee's contribution toward the premiums, for the hospital/medical plans, along with any possible premiums for vision, and dental group plans paid for by the employee must not exceed his or her net take home pay each month, otherwise the employee is not eligible to participate in or continue to participate in the POP.
 - f. **District Contribution.** If criteria B.1 through B.4 are met, the District will contribute \$150.00 toward the total monthly cost of the part-time temporary faculty member or temporary adjunct faculty member's medical premium only.
 - g. **Term and Conditions of Coverage.** A part-time temporary faculty member or temporary adjunct faculty member who was eligible for coverage and who has prepaid the premium(s) via the POP for the entire Spring and Fall semesters of any plan year shall remain eligible for coverage during the time between the end of that Spring semester and the beginning of the subsequent Fall semester contingent upon verification of continued eligibility. The premium payments shall equate to twelve months coverage and shall be deducted from ten monthly pay periods for each twelve-month coverage period.

- h. **Enrollment.** Eligible employees may enroll at each 6-month cycle but an employee who becomes ineligible cannot reenroll until the start of the next annual cycle because of the conditions set by the IRC 125 plan year rules.
- i. If any provision herein regarding the premium-only plan conflicts with the Internal Revenue Code, the latter will prevail and the conflicting provision will be nullified.

2. Premiums

- a. To receive medical plan coverage under this agreement, an eligible part-time temporary faculty member or temporary adjunct faculty member must, in advance and in accordance with applicable District procedures, agree to participate in the POP for a period of a plan year, contingent upon verification of continued eligibility, and pay the balance of the premium, minus the District contribution of \$150 per month towards the medical premium.
- b. To participate in the District's vision and dental plans, the eligible adjunct faculty member will agree to participate in the POP and pay all of the premium(s). The adjunct faculty member agrees that premiums will be deducted, pre-tax, from the faculty member's monthly salary warrants as described in Section II.B.4 above.
- c. A part-time temporary faculty member or temporary adjunct faculty member's coverage (with a District contribution) shall cease immediately upon his or her failure to pay the balance of the required insurance premium(s) in accordance with District procedures. The faculty member's deductions for the required payments will be made for the last working day of each month preceding the month in which coverage will be effective.
- a. New enrollment, or reenrollment, will only occur during the district "open enrollment" period and will become effective the following semester.

- 3. **Extension of Coverage.** Any extension of coverage, at the adjunct faculty member's own expense, subsequent to termination of employment with the District, shall be in accordance with applicable state and/or federal law.

B. No District Contribution

Part-time temporary faculty member or temporary adjunct faculty members who meet the eligibility requirements in sections E.1 through E.3 below and who prepay the entire cost (in two installments, each representing six months coverage) of the premium(s) via check, cashier's check, or electronic fund transfer when it becomes available shall be eligible to participate in the District's medical and/or dental and/or vision plans.

- 1. Be assigned to at least a .2 FTE part-time temporary faculty member or temporary adjunct faculty position in the District during the semester for which coverage is

requested. Only District service shall count toward eligibility for this plan. Open but inactive assignments—no work, no pay—do not constitute employment in this context.

2. Have completed at least a .2 FTE part-time temporary faculty member or temporary adjunct faculty position in the District during three or more semesters out of the previous eight consecutive semesters.
3. Sign an affidavit (to be developed by the District) that he or she is not eligible for hospital/medical coverage through another employer and provide this eligibility verification at the start of each academic year.

MOU. All provisions, not contrary to statute or the terms of this Agreement, of the Memorandum of Understanding between the parties signed June 24, 1999 relating to part-time health benefit coverage shall remain in effect.

Reopener. The parties may mutually agree that Section II, Health Benefits for Adjunct Faculty, be reopened for further negotiations after one year.

III. Health Benefits for Retirees, their Dependents and Survivors

- A. Hospital-Medical, Dental and Vision Benefits.** Eligible retirees and their eligible dependents and survivors shall have the right to continue their participation in the Health Benefits plans available to active employees, subject to the terms and conditions of this Agreement. Nothing in this Agreement, however, shall be construed as conveying any vested right to any particular plan, plan design, or plan component. The terms of the District's Health Benefits Program, as well as the plans available under the Program, remain subject to alteration by action of the Joint Labor/Management Benefits Committee or any future agreement between the District and the its Exclusive Representatives.
- B. Eligibility.** A retiree who is eligible to continue his or her participation in the health benefits plans which are available to active employees is one who has retired from District service under the rules of the Public Employees Retirement System (PERS) or the State Teachers Retirement System (STRS), who is receiving a retirement allowance from that system, and who:
 1. —for employees whose most recent uninterrupted District employment began before February 11, 1992—has rendered continuous paid service to the District in a “qualifying position” for three or more years immediately preceding his or her retirement; and—for employees whose most recent uninterrupted District Employment began before July 1, 1998—has rendered continuous paid service to the District in a “qualifying position” for seven or more years immediately preceding his or her retirement; or
 - 2.—for employees whose most recent uninterrupted District employment began on or after July 1, 1998—has rendered continuous paid service to the District in a “qualifying position” for ten or more years immediately preceding his or her retirement; provided,

however, the employee received district paid benefits each month during the 39 months immediately preceding his or her retirement.

For the purposes of this section, a “qualifying position” is any position that made the employee eligible to enroll in plans under Section I above, except those who are in temporary or limited status or classified specially funded program (SFP) status unless they hold regular or permanent status in another position in the District.

The District and the Exclusive Representatives agree to consult to develop policy regarding vesting rights for employees who are in temporary or limited status or classified specially funded program (SFP) status.

In addition, no absence from the service of the District under any paid leave of absence, or any unpaid leave of absence, or layoff of thirty-nine (39) months or less, shall be deemed a break in the continuity of service required by this section. An individual shall be deemed to have “retired from District service” if the effective date of his or her retirement under PERS or STRS is no later than the day after his or her resignation from District employment.

(This language, although it differs from the eligibility language that appeared in prior agreements between the parties, reflects the parties existing interpretation of that language and is declarative of the parties’ original intent.)

C. Dependents and Survivors. To qualify as a dependent or survivor who is eligible to continue his or her participation in the hospital and medical plans available to active employees—

1. a dependent or survivor must be an eligible retiree’s:
 - a. spouse;
 - b. qualified domestic partner as specified in Appendix I
 - c. unmarried dependent child under age 19;
 - d. unmarried dependent child age 19 through 25 who is a full-time student at a college or university; or
 - e. unmarried dependent child (not otherwise eligible under subsection 1.c or 1.d, above) without regard to age who is physically or mentally incapacitated, and who is being claimed as a dependent on the retiree’s federal income tax returns. (However, a dependent’s coverage under this subsection must be a continuation of his or her coverage under the Health Benefits Program and, if there is ever a break in coverage, the dependent shall not be eligible to re-enroll under this subsection.)

As used in this section, the term "dependent children" means an employee's natural children, step-children, legally adopted children, foster children, and the dependent children of a domestic partner only.

—and—

2. a dependent may not be enrolled in any plans other than those under which the retiree is covered, or in the case of any survivor, the survivor must have been enrolled in plans as a dependent at the time of the retiree's death.

D. Limitations on Survivor Eligibility. A survivor's eligibility to continue his or her participation in the Health Benefits Program shall be limited as follows:

1. The eligibility of a surviving spouse shall terminate when he or she remarries, enters into a domestic partner relationship, or is eligible for group coverage under his or her own employment.
2. The eligibility of a surviving qualified domestic partner shall terminate when he or she marries, enters into another domestic partner relationship, or is eligible for group coverage under his or her own employment.
3. The eligibility of a surviving child who is a dependent of a surviving spouse or domestic partner shall terminate when the eligibility of the surviving spouse or domestic partner terminates, unless the eligibility of the surviving spouse or domestic partner terminates because of death, in which case the child shall remain eligible as if the surviving spouse or domestic partner had not died.
4. Any survivor whose eligibility terminates for any reason shall not be eligible for re-enrollment.

E. Enrollment. Enrollment and re-enrollment in plans shall be administered as follows:

1. **Initial Enrollment.** Upon retirement, each new retiree who is eligible to enroll in plans under the Health Benefits Program shall receive uninterrupted coverage under the plan in which he or she was enrolled as an active employee, provided the employee submits all necessary applications and other required documentation in a timely fashion.
2. **Open Enrollment.** There shall be an open enrollment period each enrollment year during which eligible retirees may change plans. The District shall establish and announce the dates of such open enrollment period, and shall mail open enrollment materials to retirees fourteen or more days before the beginning of the open enrollment period. If an eligible retiree requests a change of plan, he or she shall continue to be covered under his or her existing plan until coverage under the new plan can be instituted.
3. **Changes in Enrollment Other Than During Open Enrollment.** Once enrolled in a plan, retirees are generally barred from changing their enrollment except during an open

enrollment period. Nevertheless, changes may be made under the following circumstances:

- a. Any retiree who is enrolled in a closed panel plan and who changes his or her permanent residence to a location that is outside the service area of the plan may, by submitting a timely application to the District, change his or her enrollment to a plan that provides service in the area of his or her new permanent residence. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the retiree established his or her new permanent residence.
- b. Any retiree whose enrollment in a plan is terminated at the request or option of the plan provider for any reason other than non-payment of premium may enroll in another plan by submitting a timely application to the District. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the retiree's enrollment was terminated.

4. Mandatory Re-enrollment During Open Enrollment. Upon recommendation of the JLMBC the District may designate any open enrollment period as a mandatory enrollment period during which every eligible retiree or survivor must re-enroll for himself or herself and for each of his or her eligible dependents. If a retiree or survivor fails to re-enroll during any such mandatory enrollment period, his or her enrollment in hospital, medical, dental, and vision care plans shall end at the beginning of the next plan year. In that event, only a retiree (and his or her eligible dependents) may, if he or she remains eligible, re-enroll in plans. The retiree may re-enroll in plans at any time and the District shall verify his or her eligibility and process the retiree's re-enrollment forms as if they were initial enrollment forms—i.e. if the District receives the re-enrollment forms on or before the 15th day of the calendar month, it shall process them so as to make coverage effective on the first day of the calendar month following receipt of the forms, otherwise coverage shall become effective on the first day of the second calendar month following the District's receipt of the forms.

F. District Contribution Towards Premiums. The District shall contribute towards the premium costs of the plans in which an eligible retiree and his or her eligible dependents and survivors are enrolled as follows:

1. For retirees (and their eligible dependents and survivors) who became eligible under Section III.B.1, the District will pay 100% of the District's contribution towards premiums.
2. For retirees (and their eligible dependents and survivors) who became eligible under Section III.B.2, the District will pay 50% of the District's contribution towards premiums for those retirees who rendered service in a "qualifying position" for at least ten years but fewer than fifteen years; 75% of the District's contribution towards premiums for those retirees who rendered service in a "qualifying position" for at least fifteen years but fewer than twenty years; and 100% of the District's contribution towards premiums for those retirees who rendered service in a "qualifying position" for at least twenty (20) years.

G. Conditions of and Limitations on Eligibility and Coverage.

1. Active employees who become eligible retirees under this agreement are entitled to uninterrupted coverage under the Health Benefits Program provided they submit all necessary applications and other required documentation in a timely fashion.
2. Retirees, their dependents, and survivors may not be enrolled in more than one District sponsored plan at any one time. For that reason, a retiree may be enrolled in a plan in his or her own capacity as a retiree, or as a dependent of another retiree, but not simultaneously in one plan as a retiree and in another plan as a dependent. Likewise, children or other individuals who qualify as dependents may be enrolled in a plan only once as a dependent or survivor, not simultaneously in one plan as a dependent or survivor of one retiree and in another plan as a dependent or survivor of another retiree.
3. To the extent allowed by law, benefits provided under the District's Health Benefits Program shall be secondary to the benefits provided to a retiree or his or her dependents or survivors under Medicare. Furthermore, as a condition of continued enrollment in any hospital or medical plan available under the Health Benefits Program, each retiree and every eligible dependent and survivor age 65 and older must (unless exempted from this requirement under rules adopted by the Joint Labor/Management Benefits Committee) apply for and obtain coverage under Part A (hospital benefits)—either paid or premium free—and Part B (medical benefits) of Medicare. It shall be the sole responsibility of the employee or survivor to provide the District with verification of enrollment in Medicare. The District shall acknowledge receipt of verification of Medicare enrollment upon a retiree's request.
4. Every retiree (or in the event of his or her incapacity, the retiree's representative or agent) shall report, by telephone, e-mail, or written correspondence, any event or change of circumstance that has an affect on the administration of coverage under the Health Benefits Program. Such events or changes include, but are not limited to, change of address or telephone number, marriage, divorce, dependent's loss of eligibility, death of the retiree, or death of a dependent.
5. A retiree's or survivor's eligibility (and that of his or her dependents) under this agreement shall terminate whenever the retiree or survivor accepts employment in a position covered by STRS or PERS and becomes eligible for health benefits by virtue of that employment.

IV. Joint Labor/Management Benefits Committee

- A. The District shall convene, and the Exclusive Representatives shall all participate in, a Joint Labor/Management Benefits Committee (JLMBC). The role of the Committee is to contain the costs of the District's Health Benefits Program while maintaining and, when feasible, improving the quality of the benefits available to employees.

- B.** The Committee shall be composed of one voting and one non-voting District Member appointed by the Chancellor; six Employee Members, one appointed by each of the Exclusive Representatives; and an additional voting member who shall serve as Chair, nominated by the President of the Los Angeles College Faculty Guild and confirmed by a simple majority of the regular voting members of the Committee. Although each Exclusive Representative will appoint one regular voting member on the Committee, the Committee shall adopt rules under which each Exclusive Representative may appoint additional non-voting members in proportion to the size of each unit. The District shall grant the Chair of the Committee at least 0.2 FTE reassigned time to perform the duties of that assignment.
- C.** The Committee shall have the authority to:
1. review the District's Health Benefits Program and effect any changes to the program it deems necessary to contain costs while maintaining the quality of the benefits available to employees (this includes, but is not limited to, the authority to substitute other plans for the District's existing health benefits plans);
 2. recommend the selection, replacement, and evaluation of benefits consultants;
 3. recommend the selection, replacement, and evaluation of benefit plan providers;
 4. review and make recommendations regarding communications to faculty and staff regarding the health benefits program and their use of health care services under it;
 5. review and make recommendations regarding benefit booklets, descriptive literature, and enrollment forms;
 6. study recurring enrollee concerns and complaints and make recommendations for their resolution;
 7. participate in an annual review of the District's administration of the Health Benefits Program;
 8. review and make recommendations about the District's health benefits budget; and
 9. if health care legislation that necessitates modification of the District's Health Benefits Program is enacted before the termination of this agreement, assess the effects of such legislation and make recommendations to the District and the Exclusive Representatives about appropriate action to take.
- D.** Any action of the Committee must be approved by the affirmative vote of the voting District member and all but one of the voting Employee Members at a meeting of the Committee at which a quorum is present. A quorum shall consist of the voting District member and any five voting Employee Members.

- E. Any changes proposed by the Committee in the benefit program, providers, and consultants shall be submitted to the Board of Trustees for its consideration.
- F. The District shall provide the Committee with relevant financial data including, for example, data regarding money received from providers (as a refund, return of premium, or similar credit), and all expenditures the District considers to be part of the “overall cost to the District of maintaining the Health Benefits Program.”

V. Managing the Health Benefits Program

By September 1 of each year the JLMBC shall report to the Board of Trustees on its actions and activities to mitigate increases to the cost of the Health Benefits Program so that it continues to provide quality health care to the District’s employees, retirees, and their eligible dependents at a reasonable and sustainable cost to the District.

ARTICLE 17 WAGES AND SALARIES

A. Prevailing Wage

The Council and the District agree that the wages and salaries negotiated in good faith and listed in this Agreement are at least equal to the prevailing salary or wage for the same quality of service rendered to private employers under similar employment.

B. Salary Placement

Entry-level placement on the salary schedule shall be at the lowest step of the schedule for the classification or at the hourly rate established for the classification unless the District authorizes hiring at a higher rate.

C. Step Advancement on the Salary Schedule

1. Advancement from the first to the second step shall occur as of the first day of the pay period which follows completion of one hundred thirty (130) days in paid status in regular assignments in the class. For purposes of this rule, one hundred thirty (130) days shall be defined as one hundred thirty (130) times the average number of regularly assigned hours per day for the employee. A day in paid status shall be defined as any day for which pay is received.
2. Advancements to higher steps shall be made in successive years as of the first (1st) day of the correspondingly numbered pay period on which the employee received his/her previous step advancement provided that he/she has completed at least one hundred thirty (130) days in paid status in regular assignments in the class during the twelve (12) pay periods since the preceding advancement.
3. In the event that the employee does not meet the paid status requirement provided above, his/her step advancement shall be effective as of the first day of the pay period which follows his/her completion of such one hundred thirty (130) days in paid status in regular assignments in the class.
4. Upon promotion or reclassification which results in a salary increase to other than the first (1st) step, salary advancement shall be affected as follows:
 - a. If the employee completes one hundred thirty (130) days in paid status in regular assignments in the new class as of the date his/her step advancement is due, no change in his/her cycle of step advancement shall occur.
 - b. If the employee has not completed one hundred thirty (130) days in paid status in regular assignments in the new class as of the date his/her step advancement is due, it shall become effective as of the day of the pay period which follows his/her

completion of the paid status requirement. A new cycle for subsequent step advancements will thus be established.

- c. An employee who is subject to a new probationary period must spend at least seventy-five percent (75%) of the required one hundred thirty (130) days in paid status in active on-the-job performance of the duties of a position in the class.
5. The following actions shall not affect the employee's cycle of step advancement:
 - a. Reallocation.
 - b. Change to an equal or lower class.
 6. Notwithstanding other provisions of this Article, employees in classes on accelerated hiring steps or with shortened salary ranges shall receive step advancement as follows:
 - a. An employee on any lower step in a class for which an accelerated hiring step or a shortened salary range has been authorized shall advance to the new hiring step on the effective date of the action. Such an employee shall receive an advancement to the next higher step of the schedule for his/her class as of the first (1st) day of the pay period in which the accelerated step or shortened range became effective, provided that he/she meets the paid status requirement.
 - b. A person initially employed in a class on an accelerated hiring step or with a shortened salary range shall advance to the-next higher-step of the schedule for his/her class on the first (1st) day of the pay period in the next salary year which corresponds in number to the pay period in which he/she was appointed, provided that he/she meets the paid status requirement. Subsequent advancements shall be based on the cycle thus established.
 7. An employee who changes from a flat hourly rate to a rate on a salary schedule shall receive his/her initial step advancement in the class as of the first (1st) day of the pay period which follows his/her completion of one hundred thirty (130) days in paid status in regular assignments in the class following such change.

Subsequent advancement shall take place as of the first (1st) day of the correspondingly numbered pay period provided the paid status requirement is met.

8. An employee not serving in his/her regular assignment shall be treated as follows:
 - a. An employee who is temporarily serving in a limited-term assignment in an equal or higher class shall receive credit toward step advancement in his/her regular class during the period of his/her limited-term assignment, his/her step in the limited-term assignment shall not be adjusted unless an adjustment is necessary to maintain a differential over his/her current regular rate as determined by the District.

- b. An employee who has been promoted to a regular position but returns to a lower class before completing his/her probationary period in the higher class shall receive credit toward step advancement in the lower class for the full period of his/her service in the higher class. If his/her anniversary date in the lower class has passed while he/she was serving in the higher class, he/she will receive a step advancement when assigned to the lower class, provided that he/she has met the requirements of this Article. For future step advancement his/her anniversary date in the lower class will be retained.
 - c. An employee who is on leave of absence from his/her regular class in order to serve in an apprentice class shall not receive credit toward step advancement in the former class during such period of leave. If he/she returns to his/her former class upon termination of leave of absence, he/she shall be placed at the flat hourly rate of the class or at that step of the schedule which is closest to his/her current apprentice rate.
9. Time spent by an employee on leaves resulting from an industrial accident or an industrial illness, temporary military leave, or military leave other than temporary, shall be credited as time in paid status for purposes of step advancement.
 10. Employees who are allowed to take vacation during periods which are excluded from their regular assignment periods shall receive credit towards step advancement for the time they are in paid status during such periods.
 11. Nothing in this Article shall prevent the Board of Trustees from granting or withholding step advancement.
- D.** Effective with the pay period, beginning July 1, 2005, all salary schedules and differentials shall be increased by 5.23%, (COLA plus an additional 1%.) for the 2005-2006 fiscal year.
 - E.** For 2006-2007, compensation matters of this Agreement may be reopened at the request of either party.
 - F.** For 2007-2008, compensation matters of this Agreement may be reopened at the request of either party.

The Microsoft Office User Specialist (“MOUS”) certification, which shall be valid for three (3) years from the date of issuance.

2. To renew eligibility for the computing differential after three (3) years, an employee must present proof of having successfully tested for and received the most current MOUS certification that exists at the time of retesting. If the employee provides documentation that there is not a more current certification than the one that the employee already possesses, then that certification shall remain valid for purposes of the computing differential, on a year-to-year basis, until a new certification is offered by Microsoft.
3. Differentials shall become effective the pay period following the pay period in which the employee presents proof of the appropriate Microsoft certification to the District.

Such evidence shall be in the form of an official transcript sent directly to the District by the institution which awarded the degree or an official sealed transcript provided by the employee. A foreign degree must be determined to be equivalent to a U.S. degree by an accrediting agency approved by the District. It is the responsibility of the employee to arrange for such evaluation and to provide such verification of equivalency to the District. Employees shall be eligible for the differential the pay period following the receipt of proof of the degree.

ARTICLE 18 GRIEVANCE PROCEDURE

A. Grievance Defined

A grievance is defined as a formal written complaint by an aggrieved permanent employee(s) that there has been a violation, misinterpretation, or misapplication of a specific provision(s) of this Agreement or of a written rule, regulation or procedure of the Los Angeles Community College District and/or applicable rules of the Personnel Commission. (See appendices for grievance form.)

B. Matters Excluded

All other matters and disputes of any nature are beyond the scope of this grievance procedure including but not limited to reduction in force; examination procedures, results and references; performance evaluations; disciplinary matters; and complaints by one employee about another. Also excluded are those matters so indicated elsewhere in this Agreement which personally and adversely affects the aggrieved employee.

C. Definitions

1. Grievant. A permanent employee covered by the terms of this Agreement.
2. Group Grievances. Should the District feel that the significant characteristics of a number of individual grievances or potential grievances are sufficiently alike, that it would be in the best interest of time to hear this group of grievances as one, it may do so under this procedure. Such consolidated grievance shall be carried through the procedure by one designated grievant.
3. Day. A day, for the purposes of this Article, is defined as any day of the calendar year, except Saturdays, Sundays, and legal (or school) holiday.
4. Division Head. A management employee assigned the administrative responsibilities for a division in the District Office.
5. Management Employee. Any employee designated by the Board of Trustees as management, consistent with the provisions of Government Code 3540 et seq.

D. General Provisions

1. Council Responsibilities
 - a. No Council representative, shop steward, or Council official may solicit grievances either formally or informally.

- b. The Council agrees to encourage the grievant to discuss his/her complaint with his/her immediate supervisor or the appropriate immediate supervisor with authority to adjust the grievance.
2. Before filing a formal written grievance, the grievant should attempt to resolve it in an informal manner with the appropriate immediate supervisor.
3. At all grievance meetings under this Article, the grievant shall be entitled to be accompanied and/or represented by a Council representative. A grievant shall also be entitled to represent himself or herself. The supervisor and/or administrator shall have the right to be accompanied by another supervisor and/or administrator and/or District representative. By mutual agreement, other persons such as witnesses may also attend grievance meetings.

E. Released Time for Employees and Council Representatives

Grievance meetings and hearings will be scheduled by the District whenever possible during non-working hours of the grievant. If a grievance meeting or hearing is scheduled during working hours, reasonable employee released time including necessary travel time without loss of salary will be provided the grievant.

F. Effect of Time Limits

If a grievance is not processed by the grievant at any step in accordance with the time limits of this Article, it shall be deemed withdrawn. If the District fails to respond to the grievance in a timely manner at any step, the running of its time limit shall be deemed a denial of the grievance, and the grievant may proceed to the next step. All time limits and grievance steps may be shortened, extended or waived, but only by mutual written agreement.

- G.** The respondent in any grievance shall be the District or individual campus, as appropriate, rather than any individual supervisor or management employee.
- H.** The filing or pendency of a grievance shall not delay or interfere with implementation of any District action during the processing thereof, unless the parties agree to the contrary.
- I.** Processing and discussing the merits of a grievance shall not be considered a waiver by the District or the defense that the matter is neither grievable nor subject to arbitration under this Agreement or that the grievance should be denied for other reasons which do not go to the merits
- J.** Procedure

1. Step One

- a. Within twenty (20) days after any specific or documented incident upon which the grievance is based, the grievance must be presented in writing on a District's

grievance form to the immediate supervisor who has the authority to adjust the grievance. The written grievance shall contain a clear, concise statement of the action(s) taken by the immediate supervisor or management employee, which resulted in the violation of a specific provision of the Agreement; the remedy sought; the specific provision(s) of the Agreement violated; and the name of the employee's representative, if any.

- b. A meeting between the grievant and the immediate supervisor shall take place within five (5) days from the presentation of the grievance. The immediate supervisor or his/her designee shall reply in writing within ten (10) days following the meeting. Unless there is written agreement to the contrary, step one shall terminate at the close of business on the tenth (10th) day following the Step One meeting.

2. Step Two

If the grievance is not resolved in Step One, the grievant may, within five (5) days after the receipt of the immediate supervisor's written decision, present the written grievance to the next level of authority or his/her designee. The written grievance shall contain the same information as in Step One and a copy of the immediate supervisor's decision. Within five (5) days from receipt of the grievance, a meeting shall take place to discuss the matter. The next level of authority or his/her designee shall reply in writing within ten (10) days following the meeting. Unless there is written agreement to the contrary, step two shall terminate at the close of business on the tenth (10th) day following the Step Two meeting.

3. Step Three

If the grievance is not resolved in Step Two, the grievant may within five (5) days after receipt of the decision in Step Two, present the written grievance to the College President or division head or his/her designee. The written grievance shall contain the same information as in Step One, copies of the Step One and Step Two decisions, and reasons for the appeal. Within five (5) days of receipt of the grievance appeal, a meeting shall take place to discuss the matter. The College President or division head or his/her designee shall reply in writing within ten (10) days following the meeting. Unless there is written agreement to the contrary, Step Three shall terminate at the close of business on the tenth (10th) day following the Step Three meeting.

4. Step Four

- a. If the grievance is not resolved at Step Three, the Council shall have fifteen (15) days from receipt of the decision in Step Three to file a written request to the Office of Employer Employee Relations for a hearing.
- b. Within twenty (20) days after receipt of the appeal, the Office of Employer Employee Relations shall arrange for the joint selection of a hearing officer. He/she may be a District employee or a hearing officer not employed by the District. If a hearing

officer cannot be mutually agreed to, the services of a hearing officer shall be selected from a permanent panel of twelve (12) arbitrators submitted by the American Arbitration Association. Beginning with the District, each party shall alternately strike a name from the panel until there is one (1) name remaining. The remaining name shall serve as the hearing officer for the grievance. For the term of the 2005-2008 agreement, the District and the Council agree to retain the list of arbitrators submitted by the American Arbitration Association during the term of the predecessor agreement. The parties may agree to select an arbitrator from a source other than the above-mentioned list.

K. Optional Preliminary Hearing on Issues Which do not Involve Merits of Grievance

If the District claims that the grievance should be dismissed for reasons which do not go to the merits (e.g., mootness, untimeliness, matter beyond the scope of procedure, or breach of confidentiality), the District may cause its claim to be heard and ruled upon by the arbitrator prior to a hearing on the merits. If the District plans to invoke this separate preliminary hearing, it shall so advise the Council in writing prior to selection of the arbitrator.

Immediately after selection of the arbitrator for the preliminary hearing, either the Council or the District may require that a different arbitrator be selected to hear the merits in the event that such a hearing is required. The preliminary hearing is optional to the District and if not utilized, the District shall not be precluded from raising its arbitrability defense at the regular hearing; provided that it gives the Council ten (10) days' notice of its intention to do so.

L. Limitations Upon the Arbitrator

1. The hearing officer shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement. The hearing officer's decision shall be limited to a specific finding regarding the alleged violation of a specific term of this Agreement. The hearing officer shall have no authority to recommend a monetary award. Past practice of the parties in interpreting and applying the terms of this Agreement may be relevant evidence, but shall not be used so as to justify or result in what is, in effect, a modification (whether by revision, addition, or detraction) of the terms of this Agreement. The arbitrator shall have no power to render an award on any grievance occurring before or after the term of this Agreement or to grant a remedy exceeding that sought by the grievant. Grievances arising prior to this Agreement are to be handled pursuant to applicable grievance procedures which were in effect prior to this Agreement.
2. The hearing shall be conducted in accordance with the rules and procedures prescribed in Section 11513 of the Government Code of the State of California. No other Section of the State Administrative Procedure Act shall apply to this grievance procedure. The hearing shall be private with attendance limited to the parties to the grievance and their representative, if any, witnesses while testifying, and representatives of the Office of Employer Employee Relations.
3. The hearing officer shall render written findings, conclusions, and recommendations within thirty (30) days of the termination of the hearing. The findings, conclusions, and

recommendations shall be sent to the parties concerned, the Council, and the Board of Trustees.

4. The decision of the Hearing Officer shall be final and it shall constitute the final administrative remedy available to the grievant.

M. Expenses

The District and the grievant shall share equally the payment of the services and expenses of the arbitrator(s). Each party shall bear the expenses of the presentation of its own case. A transcript of proceedings shall not be required, but either party may order a transcript at its own expense.

INSTRUCTIONS FOR PREPARING PERFORMANCE EVALUATION FORMS

1. **An Evaluation Shall be Completed for:**
Each regular classified employee ~~who is not serving in an initial probationary period.~~ In the event an employee has worked for more than one supervisor during the previous period, a separate evaluation shall be completed by each supervisor for whom the employee has worked more than 120 working days.
2. **The Person Completing the Evaluation:**
Shall be the employee's supervisor who is immediately responsible for the work of the employee. The supervisor is defined as the person who either oversees, reviews, or checks the daily work of the employee or is the one who is most closely acquainted with the employee's work performance. In the event an employee has worked for more than one supervisor during the reporting period, a separate form should be completed by each supervisor under whom the employee has worked.
3. **Before Making the Evaluation, the Supervisor is Requested to:**
Verify that the name, employee number, class title, name of Division or College and reporting period dates for each employee are correct.
4. **An Employee's Work Performance Shall be Evaluated by:**
A check mark (✓) in the appropriate box ("Below Work Performance Standards" or Meets or Exceeds Work Performance Standards) opposite the factor being reported. In addition, the supervisor should state in the "Comments" space the suggestions he/she gave to the employee on how to improve his/her work performance if below standards, or why the employee's performance fails to meet or exceeds the standards.
5. **The Supervisor May:**
Add factors which he/she considers pertinent to the evaluation and record suggestions made to the employee that will aid him/her in improving his/her work or make other pertinent comments.
6. **The Supervisor Shall:**
 - A. Hold a conference with each employee for whom an evaluation is completed.
Note: The form may be completed at the time of the conference, if the supervisor so wishes.
 - B. Explain to each employee:
 - The reasons for performance evaluation shall be given by the evaluator.
 - The evaluator shall explain the kind of work performance expected.
 - The evaluator shall give the reasons for the evaluation given and any negative evaluation or comments shall include specific recommendations for improvements and provisions for assisting the employee in implementing any recommendations made, and
 - The evaluator and the evaluatee may discuss any questions that the evaluatee has concerning his/her job and/or the responsibilities and duties assigned.
 - If the employee feels that the evaluation is improper, he/she may go to the supervisor's immediate superior to resolve differences. No regular employee shall be denied this privilege.
 - C. Sign the performance evaluation form and obtain the signature of the employee.
 - D. Submit the completed form to his/her immediate supervisor for review and signature.
 - E. Retain the triplicate copy of the performance evaluation form for the campus personnel file.
 - F. Give the employee the duplicate copy of the completed form. (If the employee is not available, the supervisor will send a copy of the form by certified mail to him/her at his/her last known address.)
 - G. Send the original copy to District Human Resources Division to be placed in the employee's personnel file.
7. **Additional Forms Which May be Used by the Supervisor:**
 - A. A notice of outstanding work performance is available to provide a record of communication for outstanding work performance in regular, day-to-day activities or in an unusually difficult and/or emergency situation. A notice of outstanding work performance may be completed and filed at any time considered appropriate by the employee's supervisor.
 - B. A notice of unsatisfactory service is available to:
 1. Provide a written record of an employee's unsatisfactory service.
 2. Provide a written confirmation that the employee has been told of his/her unsatisfactory service.
 3. Prepare for further disciplinary action, such as suspension, demotion, or dismissal.
This notice of unsatisfactory service is given to the employee whenever his/her services are unsatisfactory.
8. If additional comments pertaining to the employee's performances are entered on the form subsequent to the evaluation conference, the employee must be advised of such comments.

DEFINITION OF COLUMNS

- a. **Exceeds Work Performance Standards:** A check in this column indicates that the employee's work is better than satisfactory. If the employee's work is truly exceptional and worthy of special notice and commendation, a notice of outstanding work performance should also be used.
- b. **Meets Work Performance Standards:** A check in this column indicates that the employee's work is satisfactory.
- c. **Below Work Performance Standards:** Persons evaluated in this category usually require additional training and closer supervision in order to meet fully the established work standards. The employee should understand that his/her work is not considered unsatisfactory, but that additional effort on his/her part, along with more help on the part of his/her supervisor, will probably be required to bring his/her performance to a completely acceptable and satisfactory level. Continued failure to show improvement may lead to preparation of a notice of unsatisfactory service.
